

List of small /medium project

1.	voltage high / low level indicator
2.	Traffic light controller
3.	Water level indicator
4.	Musical alarm
5.	Mobile phone charger
6.	Battery level bar indicator
7.	Automatic street light
8.	Portable emergency light
9.	Anti-theft alarm
10.	Rain detecting Car- Wiper
11.	Mobile Phone Detector
12.	Light dimer circuit
13.	Running disco light
14.	Game score display-board
15.	Digital counter display board
16.	Variable Dc power supply
17.	Heat sensing fan
18.	Automatic Curtain opener
19.	Digital logic gates
20.	Smoke detector (fire alarm)
21.	Secret coded door lock
22.	Visitors counter display
23.	Police Van siren
24.	Electronics letter box

25.	Automatic Plant Watering System
26.	Obstacle avoiding vehicle
27.	Musical doorbell
28.	Motion detector security alarm
29.	Automatic toll gate
30.	Automatic door bell
31.	Half adder
32.	Timer based bomb blast machine
33.	Appliance automatic soft - start
34.	Fastest finger first board
35.	Metal detector
36.	Wireless doorbell
37.	Automatic Irrigation system
38.	Water level display board with auto motor switch off
39.	Automatic night lamp with morning alarm
40.	Automatic Pet feeder
41.	Grass cutting machine
42.	Medicine reminder board
43.	Dance lightning system
44.	Health monitoring system
45.	Village home lightning with Solar tracking system
